THE UNITED STATES AIR FORCE

Band of the Golden West

Did you know?

Air Mobility Command (AMC) has one departure every 2.8 minutes, every day, 365 days a year. During the course of this concert, there will be roughly 35 AMC missions flown...delivering hope, fueling the fight, and saving lives.

At any given time, AMC tankers are supporting approximately 160 various fixed and rotary wing aircraft for AMC, Air Force Central Command, our sister services, and allied nation operations.

There are 13,000 military members and civilians assigned to Travis AFB and 560 members currently deployed. We couldn't execute our mission without the support of this community!

Celebrate THE *Season*

It is with great pleasure we welcome you to tonight's concert. Whether this is your first or fourteenth holiday concert with us, thank you for letting us be your musical home for the holidays. As we wrap up 2015, we invite you to take a trip down memory lane; watch and listen through the eyes and ears of a child, reflect, revel in the festivities, laugh, and sing-a-long!

Tonight's performance is our gift to you. We would like to express our gratitude for your continued support of the men and women of the Armed Forces. On behalf of the United States Air Force Band of the Golden West, Air Mobility Command, and the United States Air Force, thank you for sharing the evening with us. May you be filled with joy and peace during this festive time of year.

Happy Holidays
